- Financial support for graduate studies available for graduate students
- Tedx Hacettepe University
- Career Development Application and Research Center
- Alumni Association
- Computer Labs
- HU TÖMER: Effective teaching of Turkish as a native and foreign language
Hacettepe-Industry Cooperation

TECHNOPOLIS INC.

• 245 firms
• 1150 projects
• Camouflage and radar-absorbing paint

HACETTEPE TECHNOLOGY TRANSFER CENTER

• Hamle Innovation Competition
• Entrepreneurship Training
• Many different industry projects by Office of University-Industry Cooperation
• More than 50 national and international products granted patents through the Patent Office
Hacettepe University Hospitals

• VISION: To be a leading health care organization where high quality knowledge and technology are efficiently and satisfactorily offered in a peaceful atmosphere. Our aim is to become a health care model with a superior administrative system, which is internationally known and acknowledged, where patient and employee satisfaction is held in highest regard.

• MISSION: Our aim is to first and foremost protect the public health. Not only will we use state of the art technology and services to accurately diagnose and treat each and every patient, but we will also be steadfast in our continued contemporary education, training, and research in order to provide the highest quality of treatment for many years to come.

• BASIC VALUES: To be kind and honest, meticulous, hardworking, gracious, respectful and to be a contributing member of medical society.
Hacettepe University Hospitals

- Bed capacity of 1,158
- Serving more than 50,000 inpatients annually
- 24 Hour Emergency Department
- First public university hospital awarded with the JCI Accreditation
- Adult Hospital
- İhsan Doğramacı Children’s Hospital
- Oncology Hospital
- Beytepe Outpatient Hospital
- Faculty of Dentistry Research and Application Hospital
- Serving almost one million outpatients annually
- 45,000 surgical operations annually
- The leading center in the biomedical field of the Middle East, Balkans and Central Asia
#beingatHacettepe

- Means being commended for where you study!
- Means studying alongside people who just rolled out of bed and who are ready for the dream date!
- Means not accepting anything but the best!
- Means studying at a campus filled with a variety of wildlife, including Egyptian geese, foxes, and rabbits!
#beingatHacettepe

- It means pursuing your dreams
- It means being set apart from other graduates of the same department from a different university
- It means feeling refreshed entering the green and clean campus
- To be or not to be at Hacettepe, is it even a question?
